Prof. Momi Dahan in a special interview
Bidding Farewell to a Nobel Winner who always stood up in defense of Israel

Prof. Momi Dahan: “A large Arrangements Bill (Chok Hahesderim) is not the right option for a functioning state”

What can animals that lived 600 million immune system? Over the period of time they house them, an immune system which is consistently adjusting to provide its anti-viral functions produces an immune system which is consistently adjusting to provide its anti-viral functions. As a result, the viruses which house them and this race produces an immune system which is consistently adjusting to provide its anti-viral functions.
